These Terms may in some instances conflict with some of the terms and conditions affixed to the purchase order or other procurement document issued by Buyer. Asetek's failure to object to provisions contained in any communication from Buyer shall not be deemed a waiver of the provisions herein. Any changes in the Terms contained herein must specifically be agreed to in writing signed by a duly authorized representative of Asetek before becoming binding on Asetek.

3. PRICES AND TAXES

The price payable for the Products ordered by Buyer is set out in the Sales Agreement.

Unless explicitly stated otherwise in the Sales Agreement the prices are exclusive of any present or future sales, revenue or excise tax, sales tax, turnover tax, import duty or other tax applicable to the sale of the Product.
